Good afternoon,

We currently have time blocked on the Administrator's schedule Thursday morning and Monday (all day) for hearing prep. Below are the list of topics, crosswalked to the fact sheet in the big book with the blue cover, that OCIR has identified as relevant to the committee members.

Please be prepared to brief the Administrator on the subjects in your area of responsibility (i.e. air, water, land, chemicals). We will be sensitive to everyone's schedule and try to call you to his office only when you are needed, as we did last week.

Note – there were new fact sheets created for the blue books and if you are missing a page referenced in the list below, please refer to the soft copies, attached.

Thanks,

Holly
